

WORKFORCE BOULDER COUNTY

Connecting Business and People

The **Governor's Summer Job Hunt** is a program that serves youth ages 14-21 through job referrals and building their confidence by teaching job readiness skills and providing career coaching through workshops and computer based labs.

Who is Eligible? Young adults between the ages of 14 and 21 are eligible to participate in the Summer Job Hunt. Economic circumstances are *not* a consideration for program registrants. Proof of age and citizenship are required. This is a free referral service to young adults and employers. Other employment and educational opportunities may be available for qualified youth.

What Types of Positions are Available?

Employers throughout Colorado provide a diverse selection of jobs including clerical, customer service, labor, and sales. There are both full- and part-time jobs available for youth.

How are Young Adults and Jobs Matched?

All youth will register at a Summer Job Hunt office and will be interviewed by a job counselor. The job counselor will assist them in matching their skills and interests with a job opening. When an appropriate match is found, the counselor will contact the employer to schedule a convenient interview time. *As always, the hiring decision is made by the employer.*

So what are you waiting for ?! *Contact us today* so we can help you get you on your way to an awesome and fulfilling summer job!
